Thank you Angeles.

Gene, Brian and Ralph,

Do you have an anticipated date for when BLM can provide any input?

Thanks,
Greg

All,

Please find attached a draft letter from NDEP in response to YPT 12/1/2016 letter to Governor Sandoval (also attached).

I am also passing this version up through Director office for their review as well. They may have additional changes or suggestions.

Although the letter is dated Feb 17, if we receive a decision from EPA, I think we would like to send out as

early as Feb 14.

Greg
